

CHRISTIAN MEDICAL ASSOCIATION

The Christian Medical Association is an international organization of health care professionals and students who are committed to serving patients with the love of Jesus. At MSU, student-led meetings are held every Monday at 7 pm. We meet to study the Bible, encourage each other, enjoy fellowship, and worship together.

We are fortunate to have Christian physicians, medical missionaries and other community members speak at some of our meetings about how they incorporate their faith into medical practice. Additionally, we help members of the MSU community connect with local churches, network with Christian professionals, and find opportunities for medical missions. All students are welcome!

**Join us for the Kick-Off Picnic
Tuesday Sept 1st from 5 pm at Wonch Park, Okemos MI
Just North of the bridge by the Okemos & Mt. Hope intersection
RSVP by sending an email to cma.msu@gmail.com
If you can't RSVP, you're still welcome**
