

Medical Students for Choice

Our Mission: Medical Students for Choice® (MSFC) is dedicated to ensuring that women receive the full range of reproductive healthcare choices. MSFC recognizes that one of the greatest obstacles to safe and legal abortion is the absence of trained providers. As medical students and residents, we work to make reproductive health care, including abortion, a part of standard medical education and residency training.

What We D.O.:

- Rally at the capitol
- Roe V Wade Anniversary Celebration
- Volunteer at Planned Parenthood
- Free Lunches with speakers including:
 - Planned Parenthood
 - Religious Coalition for Reproductive Rights
- NO DUES!
