

MICHIGAN STATE UNIVERSITY COLLEGE OF OSTEOPATHIC MEDICINE

Obstetrics and Gynecology Interest Group (OBIGs)

About OBIGs

OBIGS is an OB/GYN interest group that helps medical students make an informed decision about medical career opportunities in OB/GYN. We coordinate monthly meetings with enthusiastic speakers, a panel of residents, and shadowing experiences in both office and hospital settings.

OBIGs E-board Members

Faculty Advisor: Dr. David Boe,

President: Carolyn Dennis

Vice President: Anastasia Marie Oristian Arab

Secretary: Ashley Brant

Treasurer: Nina Gough

Public Relations: Sarah Shook

Tentative Events

- Meet our faculty advisor to learn more about a typical day for an OB-GYN doctor
- Learn how to read gynecological, mammogram, and obstetrical radiology images
- The emotional ride of living with fertility issues and possibilities for treatment
- Resident panel
- OMM and the pregnant patient
- OMM during infancy
- Meet midwives from a local birth center to learn about the midwifery model of care
- Plan First awareness event
- Breast cancer awareness event
- Scrub clinic - a clinic just for OBIGs members so that you will be able to shadow during OB-GYN surgeries
- Shadowing opportunities with physicians in the area
