Mission Statement: The purpose of this organization is to encourage, foster, support, and conduct activities or programs which may improve the knowledge and well-being of its members and the general public in matters related to the science and field of Sports Medicine. The Student Osteopathic Association for Sports Medicine concerns itself with the education, advancement, and service as it relates to Sports Medicine within the community and amongst its members.

Golf Outing – What a foursome!

Elective: NO EXAMS! The sports medicine elective meets every Wednesday during the lunch hour, and is offered in both the fall and spring semesters.

Sessions are led by MSU Sports Med faculty and guest speakers are brought in for special engagements.

Topics for the '09 fall semester include: exercise induced asthma, facial injuries, hot/cold environmental issues, & sports dermatology.

One **shadowing opportunity** each semester allows you to interact with MSU staff and athletes.
