Ryan Chartrand, National Liaison Officer
Adam Schwabauer, Director of Public Relations
Paul Pulice, Director of Pre-SOMA Relations
Joyce Liu, Director of Research
Hardeep Saini, Director of Communications

Who We Are:

We are your voice. We represent the students of MSUCOM at national SOMA conventions in conjunction with the AOA.

What We Do:

SOMA coordinates a number of events throughout the academic year. We organize the Big Sib - Little Sib program, outreach to undergraduate students, provide medical equipment at discounted prices to medical students, organize the annual charity 5K D.O. the Monster Dash, and bring in national speakers.

In addition to our own events, we provide funding to our members to participate in National SOMA events like the Unity Project, a national service project. We also provide funding to smaller student organizations to help them hold outstanding events.

Last year we were also able to fund an endowed scholarship here at MSUCOM as well as provide funding to the lounge renovation project, which resulted in a few new couches for our members!

Upcoming Events

National Convention
Chicago, IL

Big Sib-Little Sib Picnic

Medical Equipment Sale

Pre-SOMA Out Reach

National Convention
New Orleans, LA

D.O. The Monster Dash
