PIGS
Pediatric Interest Group

PIGS is an organization dedicated to promoting issues of pediatric health and wellness. We consist of students and faculty from the Pediatrics Department and are interested in learning and helping children be the best they can be! Members have the opportunity to participate in numerous activities throughout the semesters, including:

- Sparrow Pediatric Playroom
- Haven House
- Teddy Bear Clinic
- St. Baldrick’s Events
- Bake Sales & Pancake Fundraiser for Children’s Charities
- Pediatrics Exam Elective
- Luncheons with Guest Lecturers
