FAQ’s for Nonacademic Experience Worksheet

- **How far back can we start recording experiences?**
  - Be sure to start with high school activities beginning with your ninth grade year of school.

- **Can work done for non-profit organizations be counted as volunteer work if I was paid?**
  - No, only service completed without compensation or academic credit will be recorded as volunteer work. Hours worked in excess of job expectations should be reported as volunteer.

- **Am I able to record an experience if it applies to two separate sections?**
  - Yes. Examples: varsity athletes often do fundraisers, hospital visits, coaching; preprofessional organizations offer extracurricular activities in areas like leadership, team collaboration and public speaking and also a variety of volunteer community service opportunities. Be sure to split up your hours.

- **Can I submit my resume in place of this form?**
  - No, a resume will not be accepted.

- **How much information should I record from high school?**
  - Please record all applicable experiences. Be cautious not to under-represent yourself. Include awards, work experiences, volunteer activities, etc. Remember one experience could fit into two categories. For example, if you are a Student Council member or a varsity athlete, that may count as extracurricular and volunteer depending on the community activities with which you were involved.

  - If you are listing something in two places make sure you are dividing up the hours appropriately to reflect the time spent volunteering versus participating in meetings.

**High School Years:**

**College Years to Present:**
Volunteer work is anything you have done for which you haven’t been paid from which an individual, group or organization benefited. Record experiences chronologically beginning with your high school years. Remember to include activities initiated through your workplace, a professional club or organization, an athletic team, an armed services unit or a religious institution. (Note: Shadowing experience should be listed under #3 – Extracurricular activities.)
